

Youth League of Ludington

Sponsored by:

The Ludington Men's 8-Ball Pool League

In Association With

The Ladies Traveling Pool League of Ludington

One of the reasons for forming a Youth League in Ludington is the absence of a place to play in the local area.

So Dave Swanson along with Kandi Fugere and the board members of both leagues came up with the idea to use the sponsor's tables to create a league for the growth of a competition that was once considered a "Kings" game.

With that in mind, the need for an organized competition has presented itself within the youth tournaments we have sponsored the past four years.

We will have a team manager for each competition from the ladies and men's leagues, for the clarification of rules and for the sportsmanship we all value.

We have arranged with our sponsors that we will have matches on Saturdays, once a month. Match play will take place from 1:00 PM to 4:30 PM. The cost is \$5.00 per person, to be paid before match play begins.

If you want to learn the game of 8-ball, and how the local leagues function, put a team together today. Teams should consist of at least four players. All you have to do is put it together, and we will assign teams to a host sponsor. We want to inspire the youth to inherit future generations of pool.
